Take an inventory and see if you are applying what you are learning. Have you accepted Christ as the Lord of your life? What things has He changed in you? Are you reading the Bible and memorizing verses that are touching your heart? Are you seeking to be yielded to the Holy Spirit? Are you taking time alone with the Lord in prayer? Have you been baptized? Are you actively fighting temptations? Are you looking for your place in the church? Do you seek out chances to learn more and share with others? Are you watching for opportunities to share your faith? If any of these questions trouble you review the lesson they are in paying special attention to the verses in that lesson. If it is still a problem we can get together and talk and pray about it. I hope this study has encouraged you to let Christ live in you.
